3. The order of the drawing is as follows: Third Prize of \$500.00; Second Prize of \$1, 000.00; First Prize of \$10,000.00.
4. No more than 330 tickets will be sold; if all tickets are sold, the odds are 1 in 110 of winning a prize.

8. This Drawing is in memory of Sean Lee.
9. Irish Cultural and Learning Foundation Trustees, the 10K Chairman and their spouses are ineligible to purchase or own tickets.
10. 10K tickets can be split, with the names written on the back of the ticket. The name on the ticket stub is considered the Owner and that name will be called at the drawing. This is the contact person with the ICC for the ticket. Sharing the winnings is the responsibility of the Owner and not the ICC. The Owner is to bring in the ticket with the names on it and how the winnings are to be split. The ICC is to be given the addresses, phone numbers and any other required information for the names on the ticket. The ICC will then write a check for each of the names on the ticket for which complete information is provided, and give the checks to the Owner, who is responsible for delivering the checks to the proper persons.
