Dear friend,

The Irish Cultural and Learning Foundation of Phoenix, Arizona, a 501(c)(3), has an exciting opportunity for you to help support their *2022 Irish Cultural and Learning Foundation Summer Youth Program* which is taking place from 5/31/2022 to 7/1/2022 Monday thru Friday.

The success of our program will be credited in part by our generous sponsors who lend their names and financial support in exchange for valuable sponsorship benefits.

The *2022 Irish Cultural and Learning Foundation Summer Youth Program* will be held at the Irish Cultural Center campus in Phoenix, Arizona. It is one of only two physical cultural centers on the west coast of the United States and is home to one of the largest collections of Irish History books and resources in the entire county.

The goal of the *2022 Irish Cultural and Learning Foundation Summer Youth Program* is to bring together children between the ages of 5 and 11 and immerse them in Irish culture and history in a fun, creative, and interactive way through sport, music, art, dance, literature, and food.

Your sponsorship will be used to help fund backpacks packed full of useful materials, t-shirts to commemorate the time spent, programming costs, and so much more. We have various levels of sponsorship for you and your business to choose from below to support the youth in our community.

As I will be spearheading this initiative, please do not hesitate to reach out to me if you have any questions - my contact info is below. I thank you for your consideration and look forward to hearing from you soon.

Sincerely,

Lynn Cosgrove

Executive Administrator
