OCTOBER 2027

IRISH CULTURAL CENTER & MCCLELLAND LIBRARY
PHOENIX, AZ

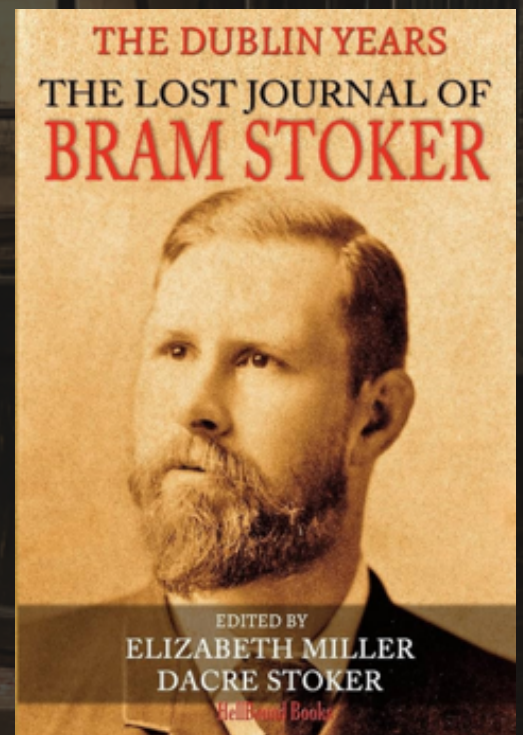

Bram Stoker: Beyond the Immortal invites visitors to discover the full breadth of Bram Stoker's literary legacy beyond the enduring shadow of Dracula.

This immersive exhibition reveals the life, imagination, and remarkable body of work of one of history's most influential, yet often overlooked, authors.

Our goal is to create an experience that allows audiences to authentically connect with Stoker as both a writer and a man, inspiring exploration of his complete portfolio while offering new perspectives on the world that shaped his stories.

Visitors will journey back to the late nineteenth century, stepping into the cultural, social, and intellectual landscape that influenced Stoker's extraordinary career.

Through immersive environments, rare artifacts, compelling narratives, and interactive experiences, guests will explore Stoker's origins, inspirations, and creative process. The exhibition illuminates the historical contexts that gave rise to some of the most beloved works in literature and reveals the enduring relevance of an author whose influence continues to captivate audiences around the world.
